

# AT WORK FOR YOUR INDUSTRY

NC REALTORS® PAC is effective because it works with all parties to enact legislation that protects the real estate industry, homeowners, the economy and property rights. These legislative victories speak volumes to the impact of your investments.

# AT WORK FOR YOUR BUSINESS

Your NC REALTORS® PAC works for you — many times behind the scenes — to advocate for issues that affect your business and your clients. The bottom line is these efforts pay you back every day. How much money do you save?

**Estimated Annual Commission** **\$55,000.00**

▶ **Sales Tax on Services** Your savings **\$4,427.50**

We've defeated attempts to extend the state sales tax to professional services. Had they passed, your commissions would have been taxed at 8.05 percent.

▶ **Transfer Tax** Your savings **\$3,850.00**

A tax on the transfer of real property would discourage homeownership in NC. According to a leading economist, this tax would lead to a 7 percent reduction in sales volume.

▶ **Professional Fees** Your savings **\$150.00**

Defeated proposed increase of professional real estate fees from \$50 to \$200, saving you \$150.

**Total Annual Savings** **\$8,427.50**
